

> User BRI mengunjungi Beranda Web App BRIKNOW, lalu klik Download Add-in

Unggahan Rekomendasi

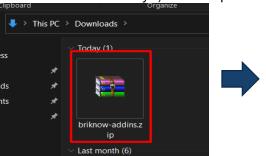

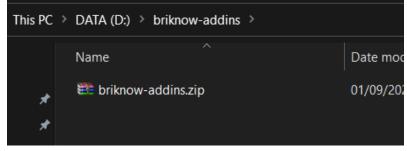

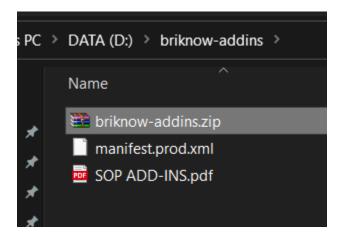

Setelah Terdownload, Disarankan Pindah-kan Hasil Download Tersebut Ke drive Data User BRI (Contoh: Drive D:\ pastikan lokasi aman & tidak Dipindahkan Karena Office Word Akan Membaca Lokasi File Tersebut, jika Terdapat Perubahan Maka user Harus Melakukan Perbarui Lokasi File nya) dan simpan.

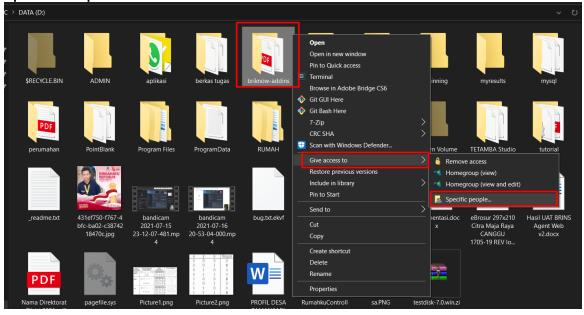

Ekstrak File Zip nya

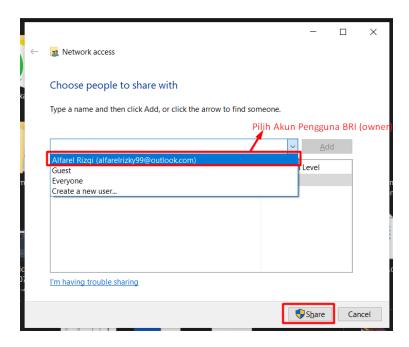

Lalu Klik Kanan Folder Lokasi Hasil Ekstrakan File Zip-nya, Lalu klik **Give Access To** lalu **Specific People.**

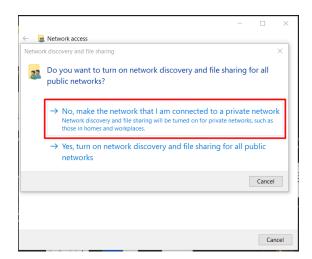

Lalu Pilih Akun Pengguna BRI, Lalu Klik Add, Lalu Klik Tombol Share

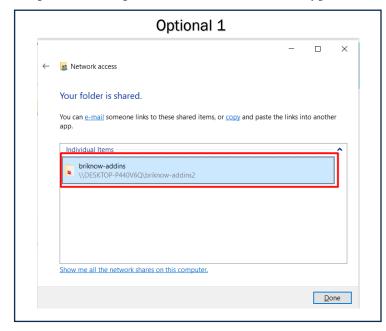

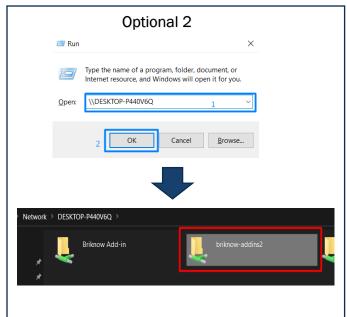

> Lalu Pilih No, Make The Network That I am Connected to a private Network

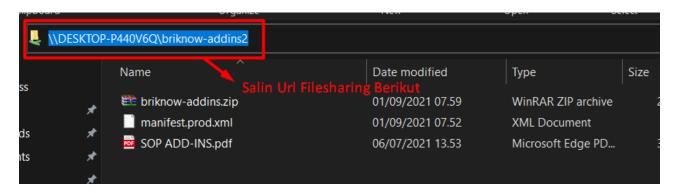

➤ Lalu File Sharing Berhasil Dibuat,
[OPTIONAL 1] lalu Klik Kotak Merah berikut untuk langsung mengakses Filesharing-nya
[OPTIONAL 2] Tekan Win + R lalu isikan \\perp cname, lalu pilih Folder Yang Barusan Di Share

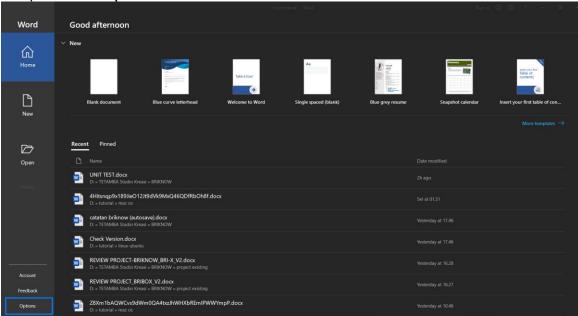

Lalu Copy Path Filesharing Seperti Berikut

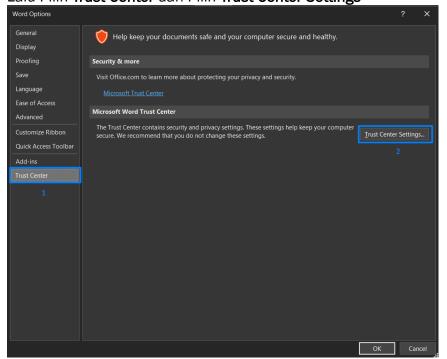

- > Lalu Buka Microsoft Word
- > lalu pilih menu Options

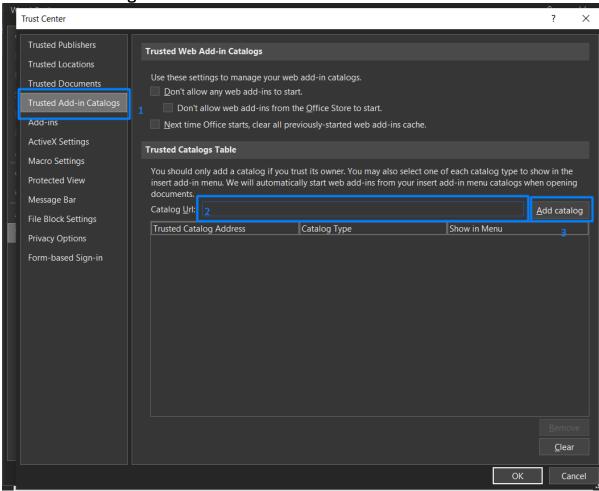

➤ Lalu Pilih Trust Center dan Pilih Trust Center Settings

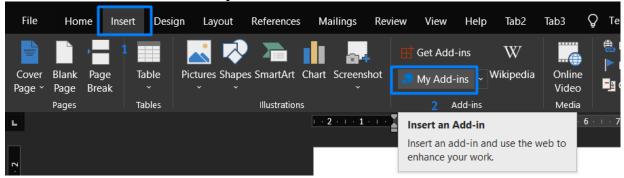

Pilih Trusted Add-in catalogs dan masukan File Path File Sharing (pada tahap ke-8) lalu klik Tombol Add Catalog dan klilk OK

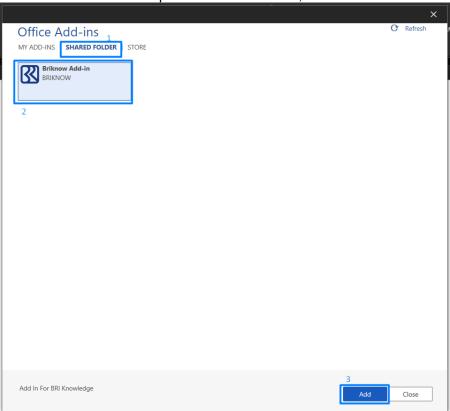

> Tutup Microsoft Word nya dan Buka Kembali Microsoft Word-nya lagi

> Pilih Tab Insert dan Pilih Menu My Add-ins

Pilih Shared Folder lalu pilih Briknow Add-ins, lalu klik Tombol Add

> Maka Akan Muncul add ins briknow di tab Home

Maka Akan muncul Add ins nya di area Taskpane Microsoft Word

> Selesai
